Subject:

Lien of 7556 Tasty Ct Las Vegas, NV 89149

Sun Valley Electric Supply has a contract with Summerlin Energy, and provided solar panels under that agreement that were intended for my home. I never received the panels or had any installation on my home.

Summerlin Energy filed bankruptcy on February 22, 2016, in Nevada, case 16-10781-MKN.

I do not have possession of the panels and never did have possession.

Sun Valley Electric Supply needs to exercise its reclamation rights under state law and bankruptcy law in the Summerlin Energy bankruptcy to recover the panels.
